Dear LPS Families,

The past two weeks have been nothing short of wonderful with the continued expansion of in-person learning. Our students have been transitioning back successfully. We credit that success in part to them and you, our family partners. Thank you for your cooperation and support as we continue the process of expanding in-person learning.

I am writing this brief message to provide you advance notice of an early release day. On May 5, 2021, students will be released early for staff professional development. The release times can be found below. There will be no classes for Pre-Kindergarten and Kindergarten. However, Kindergarten families will be contacted by the school to schedule a time for screening.

As always, please do not hesitate the contact your schools principal with any questions or concerns.

Respectfully,

Patrick Tutwiler, PhD
