Dear Lynn Public Schools Families,

The second phase of academic support for all students will begin April 27<sup>th</sup> and continue through the end of the school year. The plan comes in the form of interdisciplinary projects and activities anchored in common themes district-wide. The work will feature the themes of Community, Adaptation, and Reflection. This remote learning plan provides an accessible learning structure for students and will allow teachers to better support and communicate with students and families. **All materials will be available on the Lynn Public Schools website on Monday April 27<sup>th</sup>.** Additionally, a plan to make paper copies available has been devised and is detailed below.

Respectfully,

Patrick Tutwiler, PhD

Superintendent
